Lancaster Central High School was built near the center of the township in 1922. Mr. A. E. Hunt was trustee at that time. Many good times were shared together by the students.

As the years rolled along, the population of the township increased quite rapidly. It became necessary to add an addition to our building. This was constructed by the Works Progress Administration and completed in 1941. Mr. Milo Lesh was our trustee then. Since there was more room, Murray and Craigville schools were abandoned, and the students were sent to L. H. S. A new gymnasium was the outstanding feature of the new addition.

We the senior class of 1948 are very proud to graduate from such a fine school as Lancaster High School.

We, the senior class of 1948, wish to dedicate the 1948 Reflector to our high school sponsors Miss Margaret Johnson, Mrs. Helen Troyer, and Mr. LeRoy Hedges.

Miss Johnson was very helpful in getting us adjusted to high school life during our freshman year. We not only appreciate her assistance in our freshman year but also her initiative in starting such a splendid lunch program and keeping it functioning during the war years.

Mrs. Troyer and Mr. Hedges shared our joys and sorrows during our junior and senior years. Their patience and helpful guidance during our busiest years will always be remembered.

We, the students of LHS are very happy to have such a fine faculty. They are very cooperative with each individual student.

CLASS HISTORY

Way back in the fall of '44, 28 freshmen entered the Lancaster Central assembly to begin four of the happiest years of their lives. They were: Lauretta Anderson, Evelyn Aschliman, Dale Bowman, Wanda Byerly, Janis Ann Bynum, Virginia Clark, Robert Duncan, William Duncan, Betty Faus, Justine Fiechter, Lillian Fiechter, Ralph Fiechter, Lucille Gerber, Hannah Habegger, Richard Harris, Carolyn Henry, Walter Hartman, Emmett Hohensee, Colleen Huss, Berniece Moser, Ruth Ann Randall, William Roberts, James Shelton, Robert Snyder, Arthur Lloyd Stern, Jr., Bonnie Trullender, Joan Wiehke and Lucille Zimmerman. The officers were as follows: President, Wanda Byerly; Vice-president, Janis Bynum; Secretary-Treasurer, Carolyn Henry; Student Council, Lloyd Stern. Our class sponsor was Mrs. Troyer. Our class enjoyed two parties this year. The first semester we had a hayride after which we went to Stern's for games and refreshments. The last semester we sponsored an "all school" skating party.

At the beginning of our junior year w ehad a total of 22. Those who failed to return were: Justine Fiechter, Hannah Habegger, Bonnie Lobsiger and Robert Snyder. We had one addition made during the year. Priscilla Tarr entered for the last semester. IT ISN'T THE GALE, BUT THE SET OF THE SAIL THAT DETERMINES THE WAY WE G)

As we travel our way from day to day
As we journey o'er roads high and low
It isn't the gale, but the set of the sail
That will determine the way we go.

May we be willing to lend a helping hand
To those who need it most,
May we never slide with the twist of the tide
But ever stand firm at our post.

May we ever be ready to keep our course steady
And meet all oppression with a smile
May we always be true in the course we pursue
And never be said to beguile.

May we ever abide, with our motto as our guide
As we meet with triumph or woe
It isn't the gale, but the set of the sail,
That determines the way we go.

Prophecy

We, Lauretta Anderson and Ruth Ann Randall, the only two spirits of the class of '48, do hereby resolve to tell you, the people of 1961, our experiences of haunting our old school pals.

Before we had the misfortune to be killed in an automobile accident I, Lauretta, was the editor of the Craigville Comic Book, a superman specialty. I, Ruth Ann, was engaged in raising Palomino horses, which at that time was very profitable as the fad of horseback riding had returned.

Since we were killed in an auto accident, we feel it our duty to warn you about sharp curves. Although it is loads of fun being able to scare people, and never have to fear on-coming trains, or falling off a twenty story building, it would be nice to sit at a tourney once again with coke being poured down your back, and knees poking you inthe ribs. The people living in this grand old world don't know how thankful they can be for all of this.

Being thankful reminds us of when we were in Florida. The sun was shining brightly, and the weather was fine for swimming, when out of the clear blue sky, rose a terrifying shriek that would even scare a ghost. We hastily went to investigate. Out on the ocean a tiny girl was flouncing up and down, screaming, and crying for help. Being as swift as the wind, we went to investigate. As we drew near, she was gasping for air, and slowly she went down. She looked like an angel, long blond hair with beautiful blue eyes. We pulled her to safety and how thankful she was. Later we learned the girl was Lillian Fiechter, and we were truly glad to help our old classmate. She had done so much for the class of '48. Lillian was on a vacation from working at a bank at Fort Wayne and had come to Florida for a rest.

Last Christmas we went to California, and on Christmas Eve we went to one of the beautiful churches in Los Angeles. As we seated ourselves on the chandelier, the choir slowly marched in carrying lighted candles. After the choir was seated, the preacher, who had been kneeling behind the pulpit, rose. How surprised we were to note that it was a woman. While she was reading the second chapter of Matthew, we recognized her, and we fell right off the chandelier into the laps of two women. The women jumped up and ran right out of the church leaving their coats and purses. We were looking through the purses to find some identification, when we noted the names of Dr. Wanda Byerly, 1784 Palm Drive, Los Angeles, and Janis Ann Bynum, Registered Nurse, 1784 Palm Drive, Los Angeles.

Later we read in the paper that the people of that church believed they had seen one of God's miracles. They were encouraged by their preacher to make ready for the great coming. In case you want to know, the preacher was none other than Carolyn Henry.

As we floated down the street of Los Angeles one day, we noticed a magnificent building called "The Yuteve Fashions". Being as fond of lovely clothes now as we were when alive, we decided to go in. Hearing a familiar giggle, we immediately ascended to the second floor, and to our surprise we saw Joan Wiebke fitting a new creation on her model Bonnie Trullender. We too, had to laugh when we saw the new style. Once again in the year of '61 dresses are back to the knees.

Just as we were about to leave, we were astonished by the dramatic appearance of the most handsome man ever created. We heard Joan exclaim, "Dick." As we listened, we learned he was Dick Harris, who had taken the place of Clark Gable as the screen's greatest lover.

One night the wind was raging, and we were carried far out to sea. Suddenly there appeared to our wondering eyes an airplane signaling in distress. Realizing its danger, we immediately hastened to take a position, one on each wing, and by our divine guidance brought the plane safely back to the San Francisco airport. The pilot got out weary, but happy to touch ground again. He was met by the radio technician, who exclaimed that it was a miracle, that he returned uninjured. Once again we were very glad to see our old classmates. Lloyd Stern, pilot, and Bob Duncan, radio technician, walked into the hanger to receive new orders.

Before leaving San Francisco we visited the docks, where huge ocean liners were getting ready to sail. There was a crowd gathered in front of the ship, Queen Elizabeth. "The Duke of Remington and his bride are sailing on this ship to return to England," said a woman in the crowd. "Here they come," someone shouted. A long sleek, shining car came to a stop directly in front of us. Out stepped the Duke of Remington followed by his blushing bride. What? The bride was Berniece Moser.

One day while looking over the shoulder of an old man, we noticed the headlines which said, ONCE AGAIN WOMAN DARE-DEVIL AND COMPANION WIN. We got so excited we bumped the old man, and he thinking a fly was bothering him struck at us. Wow! Mr. Hedges. Now how did he get in here; he graduated a long time before we did. But it is rather nice knowing what the sponsors are doing. In case you want to know, Mr. Hedges has retired and is living a life of ease. Mrs. Troyer has also retired to a lovely estate in New York and has been devoting her time to raising flowers which are the envy of every flower lover.

After reading the headlines about the women dare-devils, we set out for New York.. We wanted to see the race as best we could, so we just sat on the hood of one of the racers. Little did we realize this one belonged to that woman dare-devil. In she jumped with a bound and went off like a fire cracker. Boy, what a ride! When finally she stopped, and we got our breath, off we went again. What kind of a woman was this behind the wheel?? Just to stop long enough to start again. But soon we knew it wasn't the same person. The first one had been Colleen Huss and the second, Virginia Clark, her assistant. Oh dear, and we had warned them about curves.

Upon leaving the grounds of the race track, we noticed an organ grinder, with a monkey. The monkey looked rather large, but then we all have to make a living. The organ was playing, "Cheer, Cheer for Lancaster High." How strange that seemed. We drew nearer to see this wonder

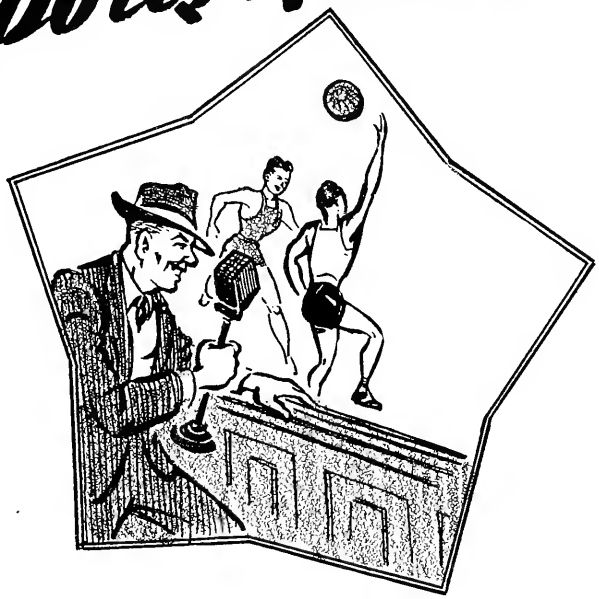
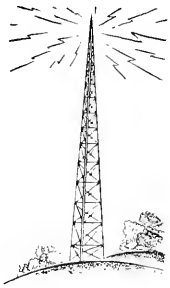
Sports Review



Sportsmanship and co-operation, that's our team and their qualifications.



Basketball

The Lancaster Bobcats of '47-48 have written athletic history in the annals of Lancaster High School. Although this little team was often thrown against much larger teams, they came out to win and made a very good impression on the minds of the fans.

The Bobcats used a pressing defense very successfully with a deliberate offense winning 11 games and losing only 4 (at the time the Reflector went to press.) Although the Bobcats suffered many injuries this season they still played very hard, and in the county tourney they were runner-up to Ossian who defeated them in the finals only after an overtime and then only by two points. Lancaster received the Sportsmanship trophy for good conduct and sportsmanship shown throughout the tourney. In their second game after the tourney they defeated the Monmouth Eagles, who were the Adams County Champs, by four points. This is one of the slickest, snappiest little teams Lancaster has had.

Reserves

Our Reserves started off this season with a bang!

They had gone undefeated the entire season last year and at the time the Reflector went to press they had suffered but one defeat so far this season. These boys have really been battling some tough teams, and their record is very good. More power to them so they can have two very successful seasons.

Our Cheer Leaders

Bonnie Huss and Bonnie Gibson were re-elected for cheer leaders this year. They did a very fine job last year and we think they did even better this year.

Dick Harris was the new cheer leader elected. Dick was new at the art of leading yells but everyone thought he made a splendid yell leader.

Our cheer leaders were able to keep the fans together on yells, and showed fine sportsmanship as did the team.

Our Student Managers And Coach

We have been talking about the boys of the basketball team, but we have not forgotten three of the boys who did a lot of work and got very little credit for it. The student managers, who were Bob Clark, Leon Byerly, and Floyd Runyon, followed the team faithfully through the year by being at every game and serving the team well. They kept the equipment in shape and order for the boys whenever it was needed.

Mr. Bryan has done an excellent job in coaching our ball team. He has overcome many obstacles such as illness and injuries which our team has certainly had more than its share. Another admirable trait is the ability he has to form a co-operative team instead of an individual team. We had the smallest ball team in the county this year, but through the excellent coaching of Mr. Bryan, we came out on top many times against much larger teams.

The Boys' Softball Team

The Bobcats softball team had a successful season this year by winning four games and losing two. They defeated Rockcreek twice by scores of 33 to 3, and they defeated Union twice by scores of 7 and 2. They lost to Ossian twice by scores of 7 and 6.

The boys played some good games but slipped a little in others. They closed the 1947 season with a score of 91 runs to their opponents 24. This record was one of the best in the county.

The Bobcats came out runner up to Ossian, who represented the Northern district in the play off with the victor of the Southern district. This was the fourth time the Bobcats came up second.

Bobcats Win Sportsmanship Trophy

At the Bluffton Gymnasium, before a capacity crowd January 10, the Lancaster Central Bobcats were awarded the Frank Garrett Sportsmanship trophy.

This award is given annually to the team and school that has shown the best sportsmanship during the tourney.

We feel that the Bobcats richly deserve this honor as they not only put up brilliant fights, playing courageous ball during the tourney which took them to the Saturday evening finals, but through all this, possessed their well known sportsmanship.

Sportsmanship and teamwork go hand in hand and the true victor of any game is the one who profits most by the game.

We're proud of you, fellows, for the crowning glory you have brought to Lancaster and hope in future games and in future years you keep this sportsmanship honor.

Sports Of The Year

The girls of the physical education classes have learned and played many interesting games this year, so now I would like to tell you briefly the highlights of each sport.

At the beginning of school last fall, softball seemed to be the main sport for us. Each class had a team, so at noon hour the girls would have softball games on their own ball diamond. Mrs. Shady, our physical education teacher, usually was the umpire. In class we learned to bat, bunt, throw, and pitch a ball. Other important points were learned in order to play good softball.

Our next sport was soccer. It is a game somewhat like football, but it was not as strenuous. The classes enjoyed this game, since this was the first year they had ever played it.

Volley ball was the main subject, since the weather began to get too bad to play outdoors any longer. The girls were not too much acquainted with the game, so Mrs. Shady started at the beginning and told each class the rules of the game.

After practicing volley ball for several weeks, we had a game with Bluffton on November 18, on the Lancaster floor. The girls who participated in the game were: Lauretta Anderson, Janis Bynum, Virginia Clark, Betty Faus, Colleen Huss, Carolyn Henry, Joan Wiebke, Ruth Ann Randall, Bonnie Trullender, and Lucille Gerber. Three games were played during the evening. The score of the first game was Lancaster 63, Bluffton 22. The score of the second game was Lancaster 21, Bluffton 3, and the last game we also won 87 to 70.

Another game was scheduled for December 9 to be played at Bluffton. Lancaster won all three games that were played. The scores of the games were 21-6; 21-10; 34-28.

We were very proud of these girls, since this was our first time to participate in games outside of our school and to win all six games that were played.

After volley ball was over, basketball was our next sport. Doctor Meade of Bluffton gave each girl in the upper six grades, who wished to play basketball, an opportunity to have a physical examination. The consent of the parents was also necessary in order to have each student participate in the games which were played.

The first student council of Lancaster was organized in 1945 with the assistance of Mr. Johnson and Mr. Hedges. The purpose of the council is to have government by the students. Two of the most outstanding accomplishments this year are the plan for the distribution of tourney tickets, and the assembly programs which they planned.

Officers who headed this year's council were: president, Lloyd Stern; vice-president, Bob Worden; secretary and treasurer, Carolyn Henry. Lloyd has served as president every year since it has been organized.

Members of the council include the president of each class, a representative from each of the upper six grades, representatives from the girls' 4-H club, boys' 4-H club, girls' chorus, boys' chorus, and band. Faculty sponsors are Mrs. Gaiser and Mr. Hedges.

The new Hi-Y organization was organized on December 8, 1947, with Dick Harris elected as president; Charles Myers, vice-president; Lloyd Stern, secretary; Victor Gerber, treasurer. It is the first Hi-Y organization Lancaster has ever had. It was suggested by our sponsor Mr. Hedges, early in the school year that we organize a Hi-Y. The boys met on various occasions at noons and decided it would be a worthwhile organization.

On Monday, January 19, the Bluffton Hi-Y came to Lancaster to give us our formal initiation. It was a very impressive service, which was held in the gym.

The new organization meets monthly, usually on a Monday night. In future years the Hi-Y is going to start finding ways of making money and doing things for the betterment of the community.

Lancaster High School Band

The band of the Lancaster High School is endeavoring to do many things to improve and better itself for the honor and pride of the school and all who are interested in it.

We are acquiring the ability to read music more fluently, to learn to love better music, to have better teamwork in the entire band, and to gain a better appreciation of what music really is.

The younger members are proving themselves quite worthy of being in the senior band.

The band rehearses two periods every Friday, and we have purchased two new books this year - - Bennett No. 4 and Program Classics No. 2.

We hope to make this band important and something of which we can really be proud. The bandmaster of our band is Mr. F. L. Blough.

The mixed chorus presented their minstrel, "Dusky Clouds" at the Lancaster Central auditorium on Wednesday night, December 3, 1947. This was the first minstrel that was ever given at Lancaster, and it was a huge success. It drew a very large crowd and was enjoyed by all. There were several special attractions, which added to its success. The endmen did very well speaking their parts. The receipts from the minstrel went to the music department funds for the purchasing of music awards.

The girls' chorus has rendered many performances at several occasions during the school year. Class was held two times a week. Two of our most outstanding features were a Minstrel, the first ever to be presented at Lancaster, and an evening of music, which was presented at Christmas time, as a farewell to Walter Hartman, who has been our pianist for the last four years.

Again this year, as before, we gave an Operetta entitled "My Spanish Sweetheart" which was well received. We also sang at Teachers Institute in Bluffton on November 15; and Lauretta Anderson, Lucille Gerber, Virginia Clark and Carolyn Henry represented Lancaster singing in the district chorus at the Ft. Wayne Division of the Teachers Association. Another performance which we took part in was the County Music Festival, which is held in Bluffton each year.

Boys' Chorus

We are quite proud of our boys' chorus as they have given many fine performances this past year. In former years we did not have a very large chorus, but under the splendid direction of Miss Sellers it has increased considerably.

The boys' chorus took the major role in the Minstrel which was given December 3, Bob Duncan, Dick Harris, Arthur Moser, and Tom Wiebke represented Lancaster in the District Chorus held at Fort Wayne during Teachers Association. Other performances which the boys took a large part in were the program at Christmas time, held December 19, and the Operetta, presented March 11.

Many of these boys are underclassmen, so we are hoping for a bigger and better boys' chorus.

Boys' 4-H Club

The Lancaster Boys' 4-H Club elected Bob Worden, president; Don Yager, vice-president; Eddie Bryan, secretary and treasurer; Dick Harris, song leader; Floyd Runyon, club reporter.

Mr. Mugg directed our club very successfully. We have one of the largest clubs in the county with a membership of sixty.

We were quite active in numerous projects this past year.

Dale Meyer represented our club at roundup at Purdue University last spring.

Each year two boys from each county attend a junior leadership conference held at Indiana Central College in Indianapolis. This year only one boy attended from Wells County. Lester Meyer from our club was the representative.

Lancaster was quite fortunate to have five members win trips to the Chicago International Livestock Exposition. Those who were awarded these trips were: Doug Krauter, Grand Champion 4-H Dairy calf; James Potter, Sweepstakes in potatoes; Carolyn Henry, Grand Champion Ayrshire Dairy calf; Doyle Stern, Grand Champion chickens; and Bob Troyer, Grand Champion chickens.

The Lancaster Girls' 4-H Club elected Carolyn Henry, president; Bonnie Gibson, vice-president; Joan Wiebke, secretary and treasurer; Virginia Byrd, reporter; Bonnie Huss, song leader; and Bob Troyer, game director.

Our club was under the direction of Miss Johnson during the first half of the summer until she accepted another position. Mrs. Troyer did a fine job in filling this vacancy.

We participated in many activities during the summer; two girls participated in the county judging and demonstration contest. We are happy to say that one of them placed first in judging baking and canning. They gave a team demonstration which also placed first.

Roundup at Purdue was attended by Bonnie Gibson, Alice Smith, Joan Wiebke, and Carolyn Henry. In August thirteen girls attended camp at Camp Tecumseh near Delphi, Indiana.

We are happy to say that The Lancaster Girls' Club won a total of $44.50 in prizes at the Bluffton Street Fair.

Prophecy

for ourselves. Just as we thought, there stood Dale Bowman playing the organ, and Ralph Fiechter, posing as a monkey. Those fellows always were thinking up ways of drawing attention. Later we learned that Dale annd Ralph really owned a music shop and did this as an advertisement.

As we were sitting on a cloud we were listening to beautiful music which was coming from the earth. We went down to learn who was playing. It was Barbara Bright playing on one of her concert tours. She was nationally known as Barbara and Her Magic Violin as she had become a great violinist. After the concert she received a message and she left immediately.

It seems very strange here in our spiritual world, as though someone was trying to enter. Perhaps the message Barbara had received has something to do with it. We followed Barbara to the hospital. She got out of the taxi and said, "Goodbye, Lucille." A woman taxi driver, we wondered? There was Lucille Zimmerman sitting behind the wheel. Well, of all things.

The superintendent of nurses came and talked to Barbara. We recognized the superintendent as Priscilla Tarr. As they talked they looked very sad. We wondered if we knew the person who had died. As we are now spirits, we dare not question our Father's wishes, and we are not allowed to visit a sick room of a friend. He always knows best.

We heard Barbara and Priscilla talking. Priscilla was saying that during a dangerous experiment, Lucille Gerber, who had become a famous scientist was stricken with a fatal disease. Lucille's experiment, which was not finished, might have been the only cure for the disease.

The church was crowded and we noticed Betty Faus and Walter Hartman. Betty was telling Walter that she was the physical education teacher at Lancaster. Walter had finished composing his latest symphony. He was internationally known as one of the greatest pianists. Every member of our class is attending the funeral.

Someone has entered our spiritual world. Welcome, Lucille Gerber. Together, the three of us will watch over our classmates. Isn't it strange how they grow older and we stay younger?

Sports Of The Year

During class we practiced playing girls' basketball, and Mrs. Shady would ask questions on the fundamentals of basketball. Each class organized a team; then they played each other during the noon hour. Tourneys were played at noon between the different teams. A record was kept to see who could stay on the "Ten List." The "Ten List" was composed of the ten people who could make the most foul shots. This list was compiled from the names of the girls of the physical education classes during a certain period of time.

Mat work was our last sport of interest. Along with this we played kickball and tennis once in a while.

Head stands, cartwheels, knee flips, pyramids, and many other stunts were practiced and learned by all the classes.

Willie P.: "I wasn't traveling 60 miles an hour. I was almost standing still when he arrested me."

Judge: "Are you sure you weren't backing into something?"

Funeral Director: "How old are you, sir?"

Aged Mourner: "I'm 98."

Funeral Director: "Hardly worth going home, is it?"

With a magnificent flourish, the fruit peddler gave little Ronnie an orange.

"What do you say to the kind man, Ronnie?" prompted mother.

The boy extended the orange toward the peddler. "Peel it," he replied.

It was a bad night for haunting in the old graveyard and two ghosts sat upon an overturned tombstone to talk shop. "By the way, pal," spoke up one ghost curiously, "do you believe in human beings?"

Mr. Mugg was examining his class on their knowledge of industrial products.

"Who can tell me what cowhide is chiefly used for?" he questioned.

Dale B. raised his hand. "It's chief use," he said, "is to keep the cow together."

Doctor: "Why do you have 18W456 tattooed on your back?"

Mr. Bynum: "That's not tattooed, doctor. That's where my daughter, Janis, ran into me with the car when I was opening the garage door."

"Why is Mr. Henry pacing up and down in front of his house like that?"

"He's awfully worried about his daughter, Carolyn, poor chap."

"Why, what's she got?"

"The car."

"Well, all right, you go over it," replied Mr. Hedges, "but please don't go under it like you did the first time."

Mrs. Troyer: "Lester M., can you define nonsense?"

Lester: "Yes, teacher. An elephant hanging over a cliff with his tail tied to a daisy."

Mr. Hedges: "Now, Dale, if I were to lay two eggs over here and three over there how many will there be altogether?"

Dale: "Personally, I don't think you can do it."

Joan: "My dad takes things apart to see what makes them run."

Sam: "So what?"

"Gee, Bill Barger," said Jack Decker peering into the tin can, "how did you ever get your little sister to find so many fishing worms for you?"

"Oh, I had to bribe her a little," explained Bill. "Out of every ten worms she dug up, I let her have one to eat."

Barbara Bright was busily engaged with a spade in the mud beside her car when Mr. Johnson hailed her.

"Stuck in the mud?" he asked.

"Oh no!" replied Barbara cheerfully. "My engine died here and I'm digging a grave for it."

A grumpy old fellow came into a restaurant and began looking at the menu the pretty waitress handed him. Looking up at last, he demanded gruffly, "How's the duck today?"

"Oh, I'm just fine," she assured him. "And how's the old pelican himself?"

Mr. Johnson: "Bob W., what is a cannibal?"

Bob: "I don't know."

Mr. Johnson: "Well, if you ate your father and mother, what would you be?"

Bob: "I'd be an orphan."

"I used to know your cashier, Mr. Jensen," remarked a visitor to the boss. "I understand that he's a tried and trusted employee--"

"Humph!" interrupted the boss. "He was trusted, all right, but he won't be tried until we catch him."
